MEMORANDUM FOR: Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Science and Technology

FROM : Maurice Lipton
Comptroller

SUBJECT : CIA Familiarization Briefing for OMB -- 5 February 1982

1. David Sitrin and Bob Howard are the Chief and Deputy Chief of the National Security Division in OMB. This is the level between Bill Schneider, the OMB Associate Director, and Arnie Donahue's Intelligence Branch. The division is responsible for the budgets of the Defense, Foreign Relations, and Intelligence Communities.

2. Bob Howard is new in his job, having previously been responsible for the Air Force program. In the past, Dave and his Deputy have not devoted a great deal of effort to intelligence, concentrating on their other functions. With Bill Schneider's added interest in our business, I think Dave and particularly Bob are interested in knowing more about our activities. They are at CIA to meet the senior managers and to learn more about our program. (A schedule is attached.) I leave it to you to talk about your directorate's program and what you see as the key budget issues for the next year or two. Dave and Bob will likely be accompanied by Keith Hall and perhaps Arnie Donahue.
